# COVID-19 Essentials

VIRTUAL CONFERENCE

for Healthcare Compliance Programs

July 21, 2020

HCCA has assembled a half-day virtual conference to help compliance professionals stay on top of the fast-moving changes caused by the COVID-19 pandemic.

By participating in this event, you will hear directly from the regulatory and enforcement communities about the changes they have made and what the government's expectations are. You will also get advice from veteran compliance professionals on how to manage the new day-to-day, how your billing and coding processes will need to evolve, and how to ensure patient privacy is maintained — despite calls from the public for more information, the vulnerabilities from working at home, and the ever-present threat of hackers.

Don't miss this opportunity to learn essential ways for your organization to remain compliant during the COVID-19 pandemic.
